Scope

The XVII Latin American Conference on the Application of Mössbauer Effect (LACAME) will be held in Vitória, Espírito Santo, Brazil, from 25th to 30th October 2020. The Scientific program will consist of plenary, invited talks and contributed papers presented as orals or posters.

English is the official language of the conference.

Location

The LACAME'20 will be held at Espírito Santo Federal University (UFES). Hotels of different categories, with easy access to UFES, can be found at the conference homepage. All process should be individually done directly to the hotels. If you need assistance, please, send us a message!

Registration

The registration fee covers attendance to all technical Sessions, exhibits, welcome reception, and coffee breaks. The registration fee does not include the proceedings.
